## THE ESCORT GUARANTEE

Welcome to another Escort Special, and you'll only find this online. We can get away with so much more than in the print versions, so we thought why not show you the filthiest issues of Escort that you've ever seen. I hope you enjoy it.

# EVA

Eva last appeared in Escort as a horny wife and she couldn't have been happier for us to invite her back as the opening 8 page feature girl! "I'm still looking for a reader to come and feast on my clit-ring, I couldn't believe that I had no takers?" says kinky Eva. "It always makes me cum so hard! And I'd make sure it's worth your while, my husband is not really into oral unfortunately, that's why I have affairs!"

# MY FAVOURITE D

What woman wouldn't like to suck on warm, throbbing cock all day long? Unfortunately there's not always one to hand, so here's what they like to get up to in the absence of the real thing.

# ALLIE

**BILDO**  
**£25  
PER PIC!**

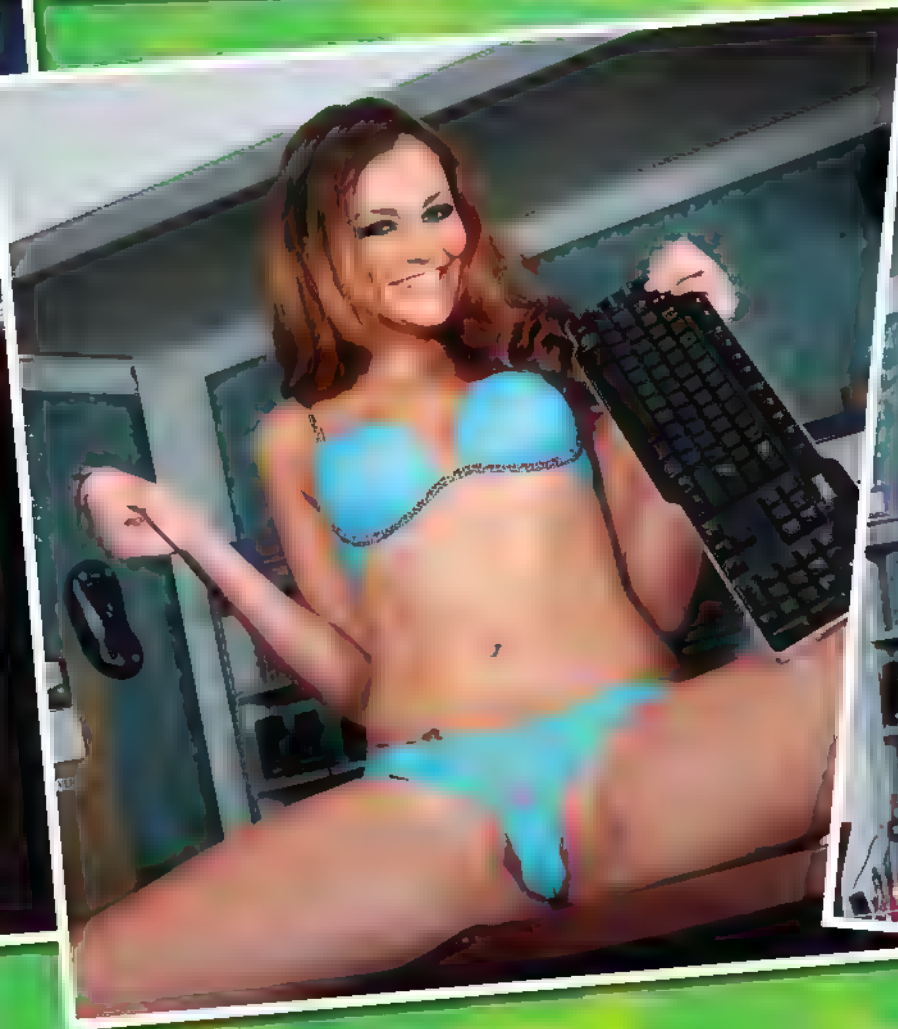

The last time Allie appeared in one of our magazines she had the good grace to enjoy some cock deep up inside her and a face full of cum. For Escort she's decided to cum alone! "Yeah, I've never hidden the fact that I love being a slave to a great big dick, but on this occasion, I wanted all of the attention to be just on me!" That's fair enough with us, and with one less giant cock in the room it means our chances just got a little bit better! "That's cheeky, I'm still recovering from last nigh so I'd say that your chances are slim to none!"

# HANNAH

There's no better site than seeing a dildo hanging out of the back of a girl, hands free, while she's bent over giving you that 'come and fuck me face.' And Hannah is clearly a professional when it comes to the art, just flick over to the next few pages and you'll see it for yourself. "I love getting fucked from behind, and I love my boyfriend filming his cock pumping in and out so that I can watch it back and enjoy it all over again!"

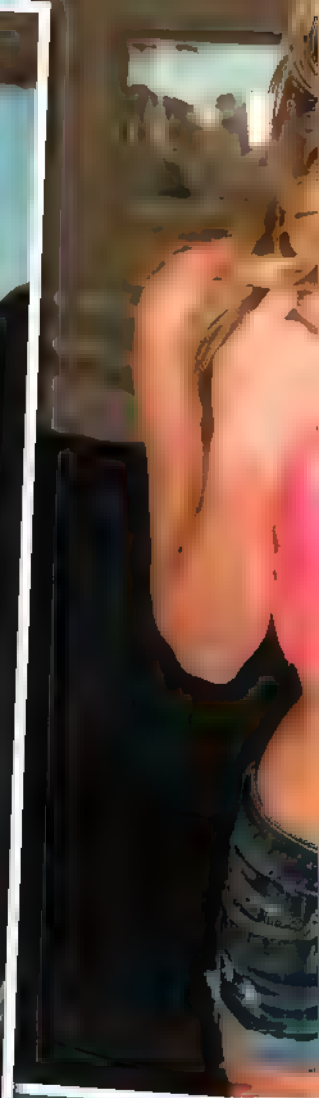

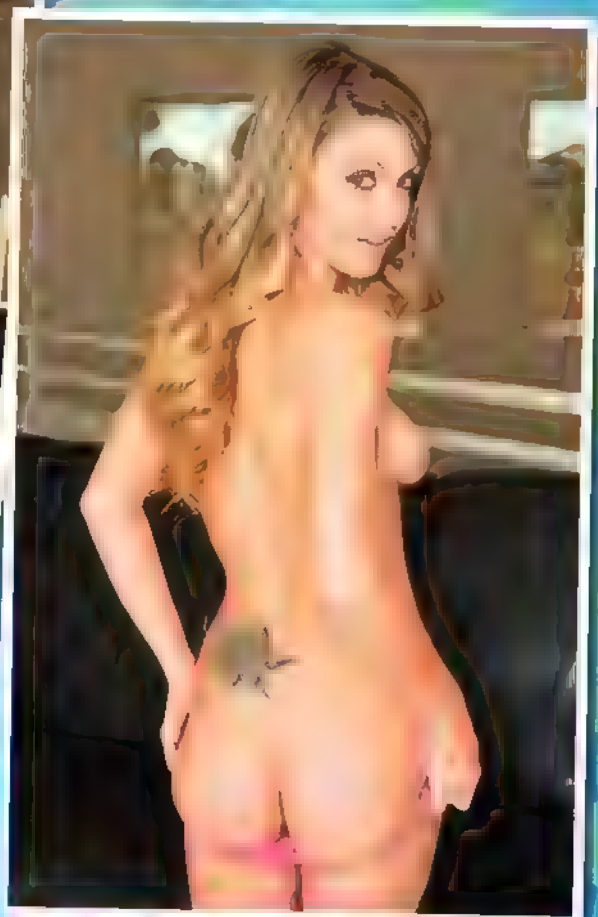

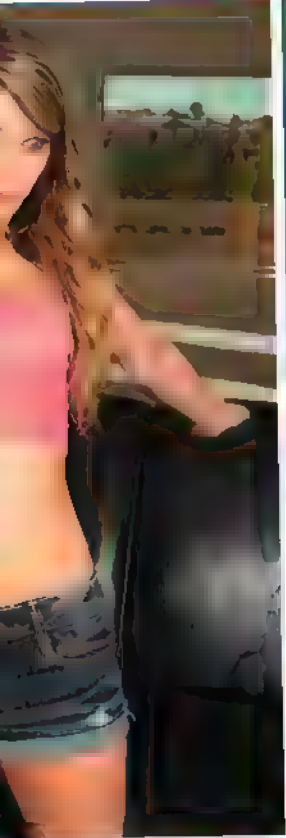

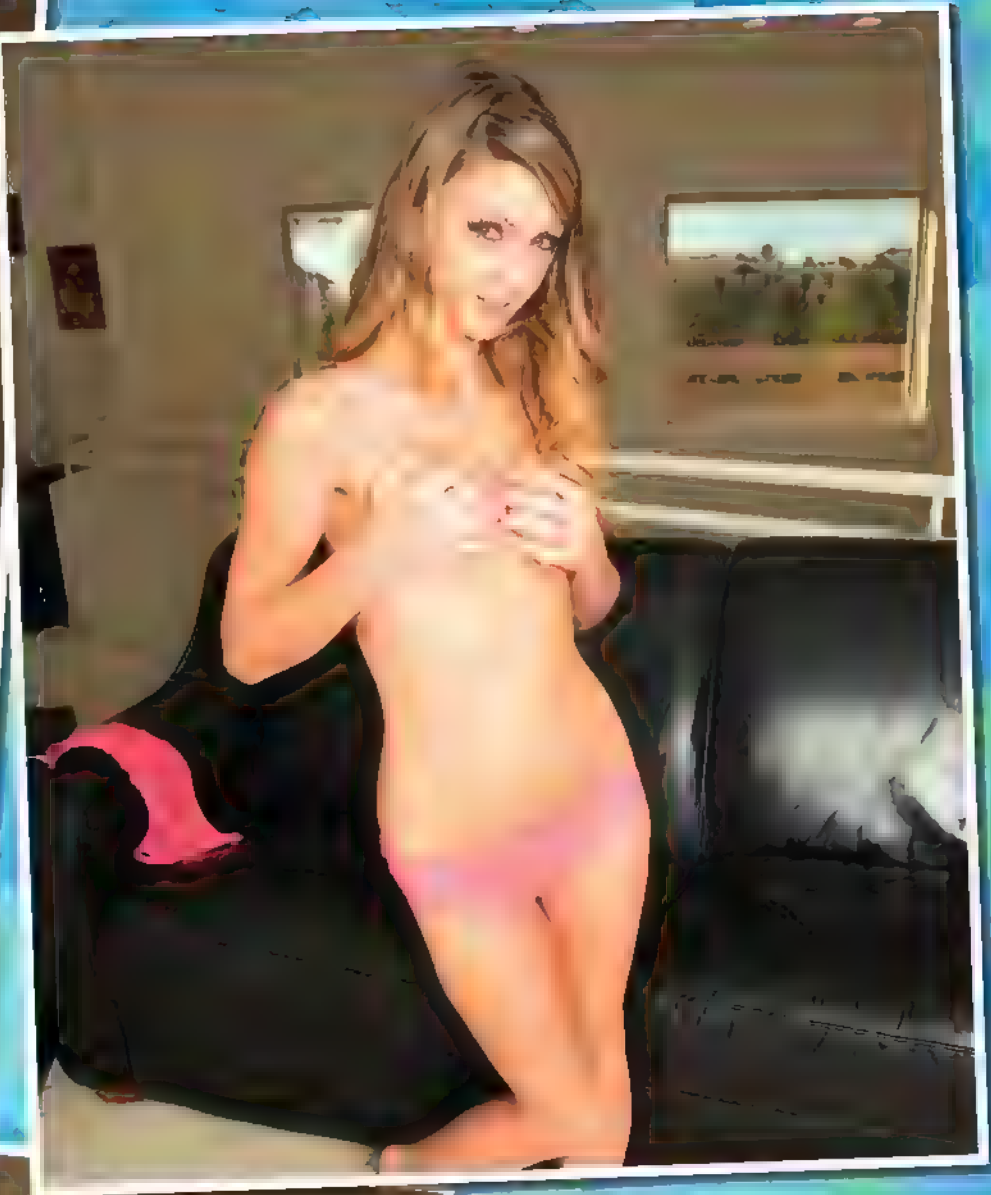

# staci

Staci's photo shoot might not have been the rudest one in this issue, or any issue of Escort for that matter, but we had an absolute ball doing it! "I would have loved to have been a bit ruder and showed some more pink, but for some reason I was just feeling a bit shy! Next time I'll definitely be a bit more adventurous and maybe even bring along a dildo, only a small one though as I've always been very tight down there, unless I'm taking a big juicy cock!"

# Stella

Let's put this myth to bed. Blondes do have more fun, especially if you hand them a purple dildo and give them free license! "Well of course I'm going to have fun if you give me a toy to play with. We were designed with a vagina and a clitoris so why not fill it and stimulate yourself at the same time!" And even better, why not do it on camera so that our Escort readers can enjoy the show first hand, with their other hand somewhere else! "Exactly."

A blonde woman with long hair is posing in a doorway. She is wearing a bright pink, strapless, cropped top and a light blue, pleated mini skirt. She is smiling at the camera, with her left hand on the door frame and her right hand holding the hem of her skirt. The background shows a dark interior with a window and a white door frame. The floor is covered with a patterned rug.

From the tame and shy Staci (page 22) to the ridiculously filthy Jools! When you ask a girl to bring her favourite toy to a photo shoot you don't expect them to bring a bendy one that can fill a pussy and the arse at the same time. Unfortunately, our photographer was so engrossed that he forgot to press 'click' on his camera during the double penetration games. We'll have to sack him in the morning!

# Jools

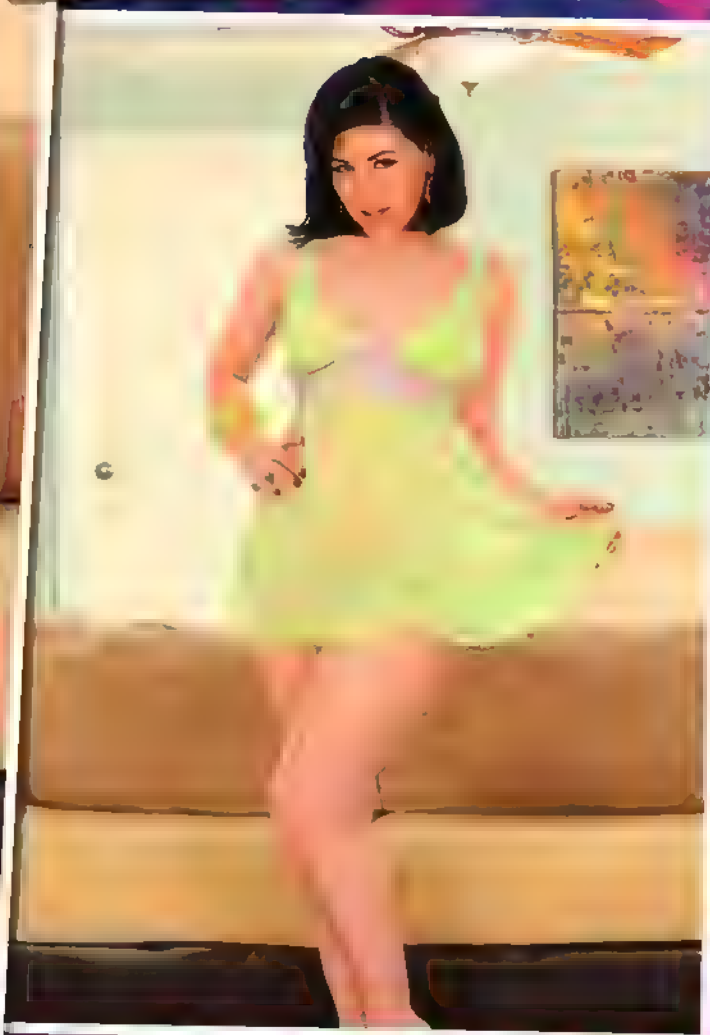

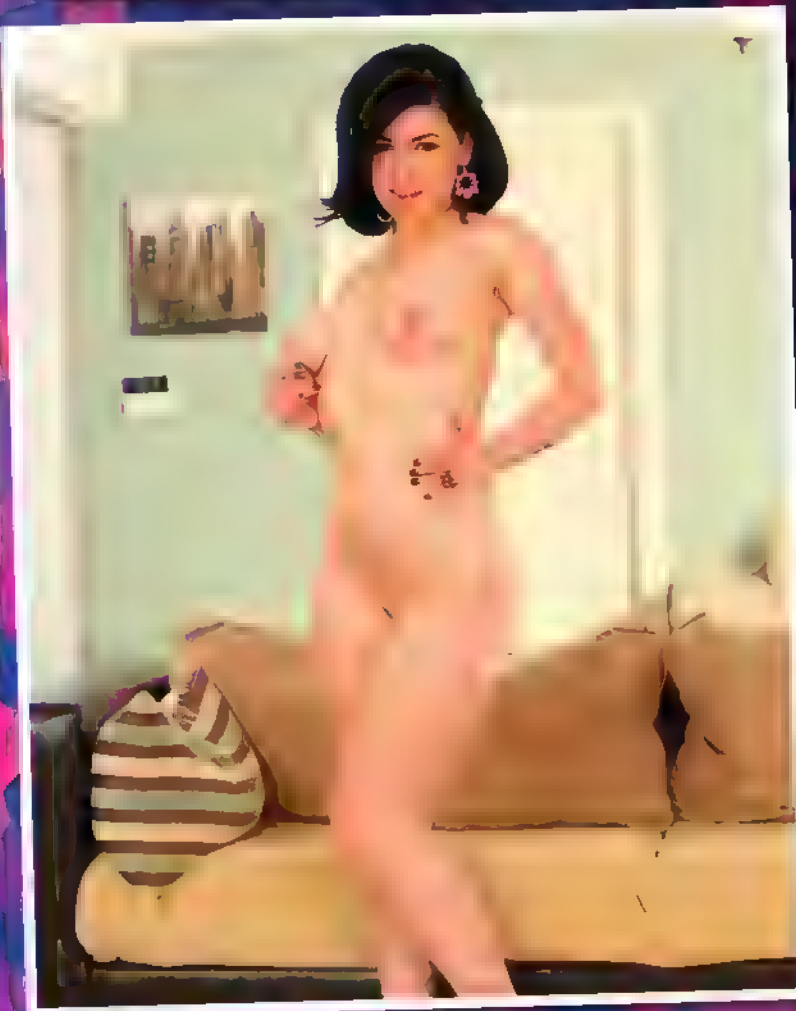

Hell's Belles. It looks like this dark-haired beauty is doing her very best to make us think she's Marilyn Monroe with the way that dress is lifting and revealing her underwear. "I didn't think about it the time, but you're right it is a bit Marilyn-esquel That's not the only thing that will be lifting soon. I'm getting boob implants and a lift soon so that I can give the best tit wanks ever!" There are certainly going to be some lucky men out there!

Scarlet is loving her first year at university, and we asked her just how much she's learnt so far? "Well, I've been spending more time fucking the guys from the rugby team than I have in the lecture room, so I've learnt a lot about how to please a guy, but not so much about politics!"

# LOLA

Lola has been desperate to get in the magazine! "It makes me so horny thinking that men and women out there might be wanking over my photos and wanting to fuck me! I know this is only a digital magazine so the guys can't spunk all over the pages and make them stick together, which is a shame, but I hope they're having a good time still!" Hopefully they don't do it over their keyboards otherwise that will be the last time they see you for a while!
